

EYECON 2016 YEAR END SALE

Rx Systems is offering a *fantastic* opportunity for pharmacies to adopt the *fastest, most accurate* counting technology at an awesome savings over the standard pricing.

If you order and take delivery before the end of December, your cost will be **\$6300** for a single Eyecon!

This represents more than a \$600 savings over the usual pricing!

Eyecon will be getting a new O/S in early 2017, upgrading from Win XPe to Win10. Along with the new operating system, most of the electronics are also being upgraded. Purchasing now will also qualify you for a reduced cost upgrade to the next generation Eyecon!

Future Upgrade Option:

- Upgrade to next generation Eyecon between April and December, 2017 for only \$800!
 - The MSRP for the new Eyecon will \$7989
 - If you choose to upgrade, your total cost will be \$7100.

*All Eyecon units come with a 2-year warranty. Each unit requires an annual maintenance renewal after 12 months - \$199.00/unit.

Sales Tax applicable in AZ, FL, MO, PA & TX, plus \$40 shipping.

Eyecon Qualifies for IRS Section 179 Tax Deduction.
